32.04/25 Planning Applications

Winterbourne

- a) **P25/01393/HH - 39 Bradstone Road Winterbourne** (Demolition of existing side extension. Erection of a two side and single storey rear extension to form additional living accommodation). **Resolved**, The Parish Council did raise an objection. The Parish Council feel that there is inadequate parking.
- b) **P25/01421/HH - 57 Friary Grange Park Winterbourne** (Erection of single storey rear extension and first floor side extension to form additional living accommodation). **Resolved**, The Parish Council did not raise an objection.
- c) **P25/00983/O - Crossley Farm Swan Lane Winterbourne** (Demolition of all buildings and the erection of 9no. dwellings including a new access with associated parking and landscaping (Outline) with layout, scale and access to be determined, all other matters reserved). **Resolved**, The Parish Council did not raise an objection. However, the Parish Council do have concerns about the development entrance coming out on to Bristol Road and think Swan Lane would be a better alternative. The Parish Council would like it noted that by supporting these 9 dwellings we are supporting South Gloucestershire Council new housing initiative. We therefore believe that the proposed local plan numbers should be reduced by 9 dwellings. As with all new builds the Parish Council would encourage developers to consider sustainability, biodiversity and the environmental impact and stress the importance of designing a sustainable building.

- d) **P25/01373/PNH - Poplars Place 32C Dragon Road Winterbourne** (The erection of a single storey rear extension, which would extend beyond the rear wall of the original house by 3.585m, for which the maximum height would be 3.199m, and for which the height of the eaves would be 2.285m). **Resolved**, The Parish Council did not raise an objection.

Frenchay

- e) **P25/01494/HH - Gloucester Lodge Old Gloucester Road Frenchay** (Erection of first floor extension to north west elevation, installation of first floor balcony to south west elevation. Installation of 1no. dormer to provide improved access for additional living accommodation for relative with mobility needs (resubmission of P25/00650/HH). **Resolved**, The Parish Council did raise an objection. The Parish Council consider this to be an overdevelopment of the site, in addition to being overbearing on adjacent properties. The dormer windows look similar to the last refusal. The Parish feel that the balcony for the master bedroom is not relevant. The Parish Council can not see how a spiral staircase would be appropriate in accommodation designed for a relative with mobility needs.
- f) **P25/01491/RVC - Willowood Begbrook Park Frenchay** (Variation of condition 2 (approved plans) attached to planning permission P22/04803/HH - to remove aluminium privacy fin, amend size and position of rooflights, amend cladding on west gable end elevation from tile and render to timber cladding part wrapping around north and south gable end elevations, amend window layout on east end gable elevation and amendments to bedroom window on east elevation. - Erection of ground floor rear extension. Erection of first floor side extension with rear sun terrace and raising of the roofline to form additional living accommodation. Erection of front porch). **Resolved**, The Parish Council did not raise an objection.

Adjoining Parish

- g) **P25/01396/HH - 21 Oxleigh Way Stoke Gifford** (Installation of 2no windows on side elevation). **Resolved**, The Parish Council did not raise an objection.
